

Microline Dot Matrix Printers

A printer with essential credentials for front desk work, offering both reliability and assistance.

The assurances you need

The ML6300FB is built for task critical situations, such as at the front desk of banks or travel agents, stations or surgeries. From printing cheques, slips, tickets, forms, multi-part documents, both pre-cut and tractor fed, the ML6300FB keeps transactions smooth and customers happy. At OKI Printing Solutions we are committed to your business needs, and know that printer performance and long-term business value are important to you. The ML6300FB places strong emphasis on providing efficient customer service, and benefits from easy-to-change consumables and flexible media handling. The small footprint also makes it ideal for businesses where space is at a premium.

Compact, quick and highly capable

Small footprint allows printer to be close at hand without getting in the way.

- Print speeds up to 450 characters per second for faster transactions and happier customers.
- Extremely reliable with 12000 hours MTBF.
- Flat bed design gives broad media handling capability, including card stock.
- Multi-part paper handling (original + 5 copies) for greater efficiency and convenience.
- USB and parallel interface as standard and optional RS232 or network card for easy integration.

Less downtime. Lower costs

- High ribbon life (4m characters) means fewer ribbon changes, less downtime and running costs.
- 'Clean hands' ribbon changing ensures no delay, mess or hassle when fitting a new ribbon.
- Use of original ribbons maximises life of print-head, reducing service needs and expense.

Full support for total confidence

- Excellent aftersales in the unlikely event you'll need it.

ML6300FB

		ML6300FB
General	Number of pins	24
	No. of multi-part forms	6 (one original + 5 copies)
Speed and throughput	High speed draft (10cpi)	400cps
	Utility (10cpi)	300cps
	Letter quality (10cpi)	100cps
	Fastest print speed	450cps
Font & print features	Carriage width (10cpi)	106 columns
	Max. in compression mode	212 columns
	Character pitch	5/6/6.7/7.5/8.5/10/12/13.8/15/17.1/20 pitch & proportional
