

The 3-in-1 device for small businesses or workgroups

The MB461 is an ideal choice for small businesses or workgroups of up to 10 users requiring print, copy and scan functionality. With impressive print speeds of up to 33ppm and a print resolution of 600dpi. In addition, with a low initial capital outlay and low running costs, thanks to high capacity toners, the MB461 is an attractive option for the budget conscious business.

Combine this with duplex printing as standard and flexible media handling and you have a device that brings added functionality and superior printing to your workplace at a highly competitive price.

Outstanding features to support your business needs

- Automatic Duplex printing, copying, and scanning as standard with printing speeds of 33ppm
- 50-sheet Reverse Automatic Document Feeder for quick and easy copying and scanning double-sided documents
- 5 seconds to first print
- Intuitive menus and controls with one touch function buttons and 3.5" LCD display for simple user interface
- Print directly from or scan directly to a USB stick

- Option of 3 or 7k capacity toner cartridges to reduce cost and user intervention
- Multipurpose tray for printing a variety of media sizes and weights

Functionality to improve your productivity and workflow

- Sharp, clear mono printing, copying and scanning using LED digital technology
- Overlay function enables you to save logos or forms in the MFP memory, for re-use in other documents
- Fast scan speed of up to 10ppm colour and 37.5ppm mono
- USB and network TWAIN scanning (PC and Mac)
- LDAP direct access to contact and email data from an existing server directory
- Multiple copying and scanning configurations with single or double sided output
- ID card copying for simple copying of double sided ID cards on a single sheet
- Document collation automatically sorts copies of multi-page documents

Improving efficiency and reducing environmental impact

- Consolidation of multiple devices into one reduces energy usage and cost
- Reduced power consumption through Eco Mode and Deep Sleep Mode functions
- Reduced toner usage with Toner Save function

Printing on the move with mobile printing

- Compatible with mobile printing applications allowing you to print directly from mobile devices over a wireless network
- Print directly using applications such as ePrint and Cortado Workplace from tablets or smartphones

Useful utilities that help you control and manage your printing

- PrintSuperVision for monitoring, reporting and managing networked printers or MFP's in real-time
- Print Job Accounting provides visibility of your print usage allowing you to control print costs across your business
