HP W2371d 23-inch LED Backlit LCD Monitor

A new class of quality

Experience flawless views and convenient connectivity at a price within reach on the new and stylish LED monitor from HP.

Smart, dynamic, affordable

This stylish, affordable monitor offers puts everyday computing in a whole new light. Experience the power of solid-state reliability with an LED monitor that complements your desktop without sacrificing the space. Multitask around the web[10] and spread out with expanded screen real-estate on this quick, start-up and go display solution.

- 23-inch diagonal screen size for all your computing activities
- Slim profile for small desktop spaces
- "Plug & Play" for quick set up
- VGA and DVI-D (with HDCP) inputs for easy connectivity

The power of LED

LED backlighting reduces the number and overall size of components in your monitor. Besides the attractive slim-factor, LED monitors take the necessary steps to help you "go green." With mercury-free backlighting from LED monitors, you can expect lower power consumption and quick on/off switching time in comparison to the CCFL panel monitors.

Impressive performance

The ultra-slim HP W2371d 23-inch diagonal LED Backlit LCD Monitor was built to keep pace with all your computing and graphic-intensive activities when paired with your HP desktop or notebook.

- 1920 x 1080 crisp screen resolution
- 8,000,000:1 dynamic contrast ratio[3] for deeper imagery
- 5ms on/off response time[9]
- 72% color gamut
- 170° horizontal/160° vertical viewing angles

Supporting your eco-initiatives

The HP W2371d 23-inch diagonal LED Backlit LCD Monitor was designed for efficient energy usage with the environment in mind.

- Arsenic free display glass[6]
- Mercury free LED backlighting
- Recyclable plastics and packaging

HP Support, service and dependability

The HP W2371d 23-inch diagonal LED Backlit LCD Monitor is backed by award-winning service and support, and includes a standard, one-year limited warranty.
